Get results and a full analysis of your test. A representative from Huntington will go over the test and offer helpful study strategies. Open to the test takers and their families. **REGISTRATION NOT REQUIRED**

Lego Sumo Tournament

GRADES 5-8

SUN., NOV. 17, 1:15-4:15PM

LEGO Sumo is a team robotics competition where two robots face off in a head-to-head match similar to real-life sumo matches. Your goal is to design and build a robot that can push your competitors' robot out of a ring. The robot that stays inside the ring the longest wins.

We provide the LEGOs and help you build your robot. No experience with LEGO robotics is necessary. Teams will be created the day of the event. **REGISTER**

Register online at our site under "Events." Call or stop by and visit us!
